

Kansas ElectroRally Fall Seminar 2019

Registration Form

This seminar is a chance to learn more about building and maintaining Electrathon vehicles and an opportunity to network with other students, teachers, and sponsors who are dedicated to the program.

There are two Fall Seminar event opportunities in two different locations to choose from:

ELECTRO RALLY

Seminar #1 (Central Kansas)	Seminar #2 (Eastern Kansas/Missouri)
Location: Fort Hays State University Center for Applied Technology Hays, KS 67601	Location: National Agricultural Center and Hall of Fame 630 N. 126 th St. Bonner Springs, KS 66012
Date: Thursday December 12th, 2019 Time: 9am-3pm	Date: Tuesday December 17th, 2019 Time: 9am-3pm
Contact: Chris Dinkel, Hays High Email: cdinkel@usd489.com	Contact: Oz Qureshi, MINDDRIVE Email: oz@minddrive.org

Session Topics: These seminars will both include four rotating sessions involving vehicle inspections, batteries and gear ratios, the building process, and performance. There may be added sessions depending on the availability of unique expertise and knowledge.

Registration: (please complete this form. Bring a copy to the seminar and email a copy to cdinkel@usd489.com)
